Group Fitness Classes will only be approved at the following locations;

1. **Cottesloe Oval**
2. **Beach Reserve**
 - a) between a line extending from Napier Street and Bryan Way (grassed areas only).
 - b) near Beach Street (grassed areas only);
3. **Jasper Green Reserve**

At no time shall permission be given for group fitness classes or personal trainers to operate within 15 meters of a residential property, adjacent to a public open space.

2. TIMES

Applications for Group Fitness Classes will only be considered where the class begins after 6am. Applications for activities after 8pm on any night will not be considered. Personal trainers may apply for a permit to operate at any time, however, due consideration will be given to noise and amenity in considering applications.

3. SIGNAGE

Signage will only be permitted to be installed 30 minutes before an approved class and must be removed within 15 minutes of the completion time.

4. FOOTPATHS / DUAL USE PATHS

Footpaths and dual use paths are allowed to be used as an incidental part of a Group Fitness Class or Personal Training session, subject to noise in residential areas being kept to an absolute minimum.

5. USE OF IN SITU EQUIPMENT

The Town provides In Situ equipment for a variety of uses by residents. Any such equipment should only be used for the purpose for which it was installed. While personal trainers and group fitness classes may use such equipment incidental to their sessions, trainers and instructors are not to attempt to "reserve" the use of this equipment in any way. Children's playgrounds and equipment are not to be used by either personal trainers or group fitness classes.
