DISCLOSURE OF INTERESTS

Notes for Your Guidance

IMPACT OF A FINANCIAL INTEREST (s. 5.65. & s. 67. Local Government Act 1995)

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- a. In a written notice given to the Chief Executive Officer before the Meeting or;
- b. At the Meeting immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- a. Preside at the part of the Meeting relating to the matter or;
- b. Participate in, or be present during, any discussion or decision making procedure relative to the matter, unless and to the extent that, the disclosing member is allowed to do so under *Section 5.68* or *Section 5.69* of the *Local Government Act 1995*.

INTERESTS AFFECTING FINANCIAL INTEREST

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest in a matter**.

1. A Financial Interest, pursuant to s. 5.60A or 5.61 of the *Local Government Act 1995*, requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measured in money terms. There are expectations in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e sporting, social, religious etc, and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e, if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors and ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **must** be given when the matter arises in the Agenda, and immediately before the matter is discussed. Under s. 5.65 of the *Local Government Act 1995* failure to notify carries a penalty of \$10 000 or imprisonment for 2 years.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) of the *Local Government Act 1995*; or
 - 6.2 Where the Minister allows the Councillor to participate under s.5.69(3) of the *Local Government Act 1995*, with or without conditions.

INTERESTS AFFECTING PROXIMITY (s. 5.60b Local Government Act 1995)

1. For the purposes of this subdivision, a person has a proximity interest, pursuant to s.5.60B of the Local Government Act 1995, in a matter if the matter concerns;
 - a. a proposed change to a planning scheme affecting land that adjoins the person's land; or
 - b. a proposed change to the zoning or use of land that adjoins the person's land; or
 - c. a proposed development (as defined in section 5.63(5)) of land that adjoins the person's land.
2. In this section, land (the proposal land) adjoins a person's land if;
 - a. The proposal land, not being a thoroughfare, has a common boundary with the person's land; or
 - b. The proposal land, or any part of it, is directly across a thoroughfare from, the person's land; or
 - c. The proposal land is that part of a thoroughfare that has a common boundary with the person's land.
3. In this section a reference to a person's land is a reference to any land owned by the person or in which the person has any estate or interest.

INTERESTS AFFECTING IMPARTIALITY

Definition: An interest, pursuant to Regulation 11 of the Local Government (Rules of Conduct) Regulations 2007, that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- a. In a written notice given to the Chief Executive Officers before the Meeting or;
- b. At the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY DISCLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest exist.

SUMMARY

The proposed 2024/25 Annual Budget is attached for Council consideration and adoption.

OFFICER RECOMMENDATION IN BRIEF

For the Council to adopt the 2024/25 Annual Budget, along with supporting schedules. This includes the imposition of rates and minimum payments, adoption of the Fees and Charges Schedule, setting of Elected Members' fees for the year, and other consequential matters arising from the budget papers.

BACKGROUND

Under the *Local Government Act 1995*, Council is required to adopt an Annual Budget between 1 June and 31 August each financial year.

Three budget workshops were conducted between April and July 2024 to set the budgetary direction and inform the development of the 2024/25 Annual Budget. These workshops included detailed presentations and documentation, which provided Elected Members with opportunities to ask questions and offer direction to the administration in developing the draft budget and its various components.

OFFICER COMMENT

The budget has been prepared in accordance with the requirements of the *Local Government Act 1995*, the *Local Government (Financial Management) Regulations 1996*, and *Australian Accounting Standards*. It reflects the principles and feedback discussed with Elected Members during the budget workshops, with a focus on 'green' and community infrastructure, and sustainability.

The Town proposes a balanced budget for 2024/25, with neither a surplus nor a deficit. The estimated opening cash surplus for 2024/25 is \$2,212,225, representing the unspent budget balance from various projects in 2023/24. This surplus will be utilised to complete these

projects in 2024/25. The final figure for the 2023/24 cash surplus will be determined through end-of-year processing and audit.

The proposed General Rates are determined after considering all other sources of revenue, available reserve funding, expenditure requirements, efficiency and savings measures, and associated cost increases.

Below are the key inclusions in the proposed 2024-25 Annual Budget:

1. Operating Budget

The draft operating budget provides for the Town’s day-to-day operations. The net operating budget position has improved by \$751K from last year’s budget. Significant movements in revenue and expenditure include:

- Separation of waste charges from Rates, resulting in a \$2M decrease in Rates revenue, with an associated increase in Fees and Charges revenue.
- A 5.4% increase in rates, resulting in an additional \$715K after separating waste charges.
- An increase in Operating Grants due to the Federal Assistance Grant (\$320K) not recognised in the 2023/24 budget.
- Increased employment costs due to the renewal of the Employee Industrial Agreement; Leave Provision previously not recognised (\$142K); conversion of a Business Analyst position from contractor to employee (\$80K); and a carry forward of direct employee costs (\$89K) associated with the ERP Project (Enterprise Resource Planning).
- Increased Materials and Contract costs based on the Local Government Cost Index of 3.6% and contracted increases under service delivery agreements.
- Key strategic projects and initiatives including:
 - o Green Infrastructure Management Plan: \$100K for initiatives that progresses towards canopy cover of 30% by 2040
 - o Natural Areas Management Plan: \$546k for coastal dune restoration and preservation
 - o John Black Dune Park : \$80K for stage 2 landscaping
 - o Anderson Pavilion solar panels: \$20k – This meets the renewable energy objective as part of the Town’s participation in the Cities Power Partnership Program
 - o Asset Management Plan: \$118K
 - o Town Planning Scheme Consultant: \$125K
 - o Carried forward for the Cottlesloe Village Precinct Plan: \$220K
 - o Carried forward for the Local Planning Strategy Review: \$133K
 - o Carried forward for the Enterprise Resource Planning Upgrade: \$617K

2. Capital Budget

A capital works program totalling \$3M entailing investment in infrastructure, land and buildings, plant and equipment and furniture and equipment is proposed. Key projects include:

- Shark Barrier Renewal: \$400K
- Groyne Access Ramp Works: \$150K
- New South Cottesloe Toilet: \$200K
- 149 Marine Parade Toilet Upgrade (partially carry forward): \$187K
- Carry forward for the Eric Street Shared Path Lighting Upgrade: \$276K
- Carry forward for the Harvey Field Playground Upgrade: \$290K
- Carry forward for the Beach Access Path Upgrade: \$130K

3. Reserves

The Town forecasts a closing balance of \$8M in reserves for 2024/25. Major proposed movements include:

- An \$812K transfer to reserves to assist in funding future asset management needs, including: Property Reserves \$376K, Infrastructure Reserves \$331K, Green Infrastructure and Sustainability Initiatives Reserve \$100K, and Shark Barrier Reserve \$5K.
- An estimated \$329K interest earned on reserve funds, based on the reserves' opening balance and an interest rate of 4.2%.
- A total of \$466K drawdown from Reserves to fund Capital Works Programs, including transfers from the Property Reserve for the 149 Marine Parade Toilet Upgrade (\$117K), the Right of Way Reserve for ROW4B upgrade (\$70K), carry forward for the Anderson Pavilion Development (\$53K), and various immaterial amounts for other projects.
- Transfer from the Green Infrastructure and Sustainability Initiatives Reserve for the Green Infrastructure Management Plan: \$100K.
- Transfer from the Information Technology Reserve for the Enterprise Resource Planning upgrade: \$406K.

4. Fees and Charges

As a general rule, a 3.6% increase has been applied to the 2024/25 Fees and Charges in response to inflationary pressures and in alignment with the Local Government Cost Index, and rounded up to the nearest \$5. Notable changes include:

- Interest on outstanding debtors/rates increased to 8%, aligning with pre-COVID levels, noting that the maximum statutory interest rate is 11%.
- For electronically available Council documents (at no charge), the fee for hard copies has been increased to discourage printing and save on carbon emissions.
- Facility hire fees have been reviewed based on current demand and usage, with some fees significantly modified. A 50% discount for community hire and a 25% premium charge for the hire of the Anderson Pavilion have been standardised.

- Fees stated as ‘Actual Cost’ in previous Fees and Charges Schedules now include a 10% administration fee to cover officer time.
- Waste fees have been adjusted based on recalculated waste costs and the removal of waste charges from Rates.
- Dog and cat associated fees have been equalised and increased based on neighbouring local government fees.
- Removal of rodent bait purchases as the service is no longer provided.

5. Community Donations

The budget includes \$20K for Community Donations. A list of community group and organisation’s grant requests and recommendations, including the rationale behind them, was presented to Elected Members at Budget Workshop 2 held on 7 June 2024. A total of 9 applications were received for the 2024/25 financial year, with 6 applications being recommended for support or partial support.

6. Loans

No new loans are proposed in the 2024/25 draft Budget.

Repayment of the Grove Library loan will continue, with the outstanding balance reduced to \$1,717,951 as of 30 June 2025. This loan will be fully repaid in September 2029.

ATTACHMENTS

9.1.1(a) 2024-2025 Annual Budget [under separate cover]

CONSULTATION

At the Special Council Meeting held 10 July 2024, Council resolved of its intention to raise the following differential general rates and minimum rates for the 2024/2025 financial year:

<i>Differential Rate Category</i>	<i>Rate in the \$</i>	<i>Min Rate</i>
<i>GRV – Residential Improved (RI)</i>	<i>0.05594</i>	<i>\$792</i>
<i>GRV – Residential Vacant (RV)</i>	<i>0.06677</i>	<i>\$1383</i>
<i>GRV – Commercial Improved (CI)</i>	<i>0.06677</i>	<i>\$1383</i>
<i>GRV – Commercial Vacant (CV)</i>	<i>0.06677</i>	<i>\$1100</i>
<i>GRV – Commercial Town (CT)</i>	<i>0.07988</i>	<i>\$1400</i>
<i>GRV – Industrial</i>	<i>0.06677</i>	<i>\$1383</i>

Local public notice was provided in accordance with Section 6.36 of the *Local Government Act 1995*, with a close date of Wednesday 1 August 2024. No submissions were received.

For 2024/25, the Town will be separating the Domestic Waste Services charge from rates charges, a significant cost only applicable to residential improved properties. In implementing this change, the Town needs to ensure residents in this category are not charged twice – once in rates and again through a separate Domestic Waste Services fee. Consequently, the rate in the dollar and minimum rate for Category 1 (Residential Improved) has been lowered.

It is important to note that apart from the revised Domestic Waste Services charge and the corresponding adjustment to the Residential Improved rate, there will be no changes to the provision of Town services across the various rate categories compared to previous years.
