NATIVE PLANT SUBSIDY SCHEME

There is still time to take part in the Local Native Plant Subsidy Scheme. Until Wednesday, 25 May, residents can purchase native plants at a subsidised price of \$1.50 from Apace Revegetation Nursery, 1 Johannah Street, North Fremantle.

The scheme aims to encourage biodiversity and local habitats in the western suburbs. Up to 80 plants (seedlings) can be purchased at the subsidised price, so take advantage of the cooler weather and transform your garden or verge.

This is a Western Suburbs Regional Organisation of Councils (WESROC) initiative. Please take proof of residency when you visit Apace.

ANZAC DAY 2016

A Catafalque Party from the Australian Defence Force Academy presented arms at the 2016 ANZAC Day service.

It was wonderful to see so many people attend the Town of Cottesloe and Cottesloe RSL ANZAC Day service on Monday, 25 April.

The rain held off for the 600 plus attendees who took part in the parade from the top gate to the main lawn. Town of Cottesloe Mayor Jo Dawkins addressed the crowd followed by Rev. Malcolm Potts from St. Phillip's Anglican Church who gave an official blessing. Mr Jonathon Sciortino from RSL Cottesloe Sub-Branch provided an official address.

Members of the community came together to lay wreaths and a Catafalque Party from the Australian Defence Force Academy, attending this service for the first time, presented arms.

The service included a commemoration of the events of 1916, a year which saw Australian forces involved in fierce campaigns on the Western Front, particularly at Fromelles and Pozieres, 100 years ago.

This year's lecture will be held on Friday, 18 November at Cottesloe Civic Centre, presented by guest lecturer, The Hon. Dr Brendan Nelson AO.
