NATIVE WATERWISE VERGE REBATE

If you make the transition to a native, waterwise verge between now and July, you could be eligible for a rebate of \$15 per m2 of verge you convert (up to a maximum of \$500). It's the perfect time to plant a native waterwise verge – during the month of May residents can purchase natives plants for \$2.50 each from APACE Nursery as part of the Native Plant Subsidy Scheme.
