**Notes:**

All fair value adjustments relating to re-measurement of financial assets at fair value through profit or loss and (if any) changes on revaluation of non-current assets in accordance with the mandating of fair value measurement through Other Comprehensive Income, is impacted upon by external forces and is not able to be reliably estimated at the time of budget adoption.

Fair value adjustments relating to the re-measurement of financial assets at fair value through profit or loss will be assessed at the time they occur, with compensating budget amendments made as necessary.

It is anticipated, in all instances, any changes in revaluation of non-current assets will relate to non-cash transactions and as such, have no impact on this budget document.

Fair value adjustments will be assessed at the time they occur with compensating budget amendments made as necessary.

This statement is to be read in conjunction with the accompanying notes.

**TOWN OF COTTESLOE  
NOTES TO AND FORMING PART OF THE BUDGET  
FOR THE YEAR ENDED 30TH JUNE 2014**

**1. SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies which have been adopted in the preparation of this financial report are:

**(a) Basis of Accounting**

The budget has been prepared in accordance with applicable Australian Accounting Standards (as they apply to local government and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations.

Except for cash flow and rate setting information, the budget has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

**(b) The Local Government Reporting Entity**

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 16 to this budget document.

**(c) 2012/13 Actual Balances**

Balances shown in this budget as 2012/13 Actual are as forecast at the time of budget preparation and are subject to final adjustments.

**(d) Rounding Off Figures**

All figures shown in this budget, other than a rate in the dollar, are rounded to the nearest dollar.

**(e) Rates, Grants, Donations and Other Contributions**

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets

Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

**(f) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to the ATO, is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the ATO, are presented as operating cash flows.

**(g) Superannuation**

The Council contributes to a number of superannuation funds on behalf of employees. All funds to which the Council contributes are defined contribution plans.

TOWN OF COTTESLOE  
NOTES TO AND FORMING PART OF THE BUDGET  
FOR THE YEAR ENDED 30TH JUNE 2014

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(h) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities on the statement of financial position.

**(i) Trade and Other Receivables**

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectibility of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

**(j) Inventories**

***General***

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

***Land Held for Resale***

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in the statement of comprehensive income at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on Council's intention to release for sale.

**TOWN OF COTTESLOE**  
**NOTES TO AND FORMING PART OF THE BUDGET**  
**FOR THE YEAR ENDED 30TH JUNE 2014**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(k) Fixed Assets**

Each class of fixed assets is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation or impairment losses.

***Mandatory Requirement to Revalue Non-Current Assets***

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at fair value became mandatory.

The amendments allow for a phasing in of fair value in relation to fixed assets over three years as follows:

(a) for the financial year ending on 30 June 2013, the fair value of all of the assets of the local government that are plant and equipment; and

(b) for the financial year ending on 30 June 2014, the fair value of all of the assets of the local government -

(i) that are plant and equipment; and

(ii) that are -

(I) land and buildings; or

(II) infrastructure;

and

(c) for a financial year ending on or after 30 June 2015, the fair value of all of the assets of the local government.

Council has commenced the process of adopting Fair Value in accordance with the Regulations.

***Land Under Control***

In accordance with local Government (Financial Management) Regulation 16 (a), the Council is required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with other policies detailed in this Note.

Whilst they were initially recorded at cost, fair value at the date of acquisition was deemed cost as per AASB 116.

Consequently, these assets were initially recognised at cost but revalued along with other items of Land and Buildings at 30 June 2013.

***Initial Recognition***

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in the statement of comprehensive income in the period in which they are incurred.

TOWN OF COTTESLOE  
NOTES TO AND FORMING PART OF THE BUDGET  
FOR THE YEAR ENDED 30TH JUNE 2014

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Fixed Assets (Continued)

**Revaluation**

Revalued assets are carried at their fair value being the price that would be received to sell the asset, in an orderly transaction between market participants at the measurement date.

Revalued assets are carried at their fair value being the price that would be received to sell the asset, in an orderly transaction between market participants at the measurement date.

For land and buildings, fair value will be determined based on the nature of the asset class. For land and non-specialised buildings, fair value is determined on the basis of observable open market values of similar assets, adjusted for conditions and comparability at their highest and best use (Level 2 inputs in the fair value hierarchy).

With regards to specialised buildings, fair value is determined having regard for current replacement cost and both observable and unobservable costs. These include construction costs based on recent contract prices, current condition (observable Level 2 inputs in the fair value hierarchy), residual values and remaining useful life assessments (unobservable Level 3 inputs in the fair value hierarchy).

For infrastructure and other asset classes, fair value is determined to be the current replacement cost of an asset (Level 2 inputs in the fair value hierarchy) less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset (Level 3 inputs in the fair value hierarchy).

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases in the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised as profit or loss.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Those assets carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

In addition, the amendments to the Financial Management Regulations mandating the use of Fair Value, imposes a further minimum of 3 years revaluation requirement. As a minimum, all assets carried at a revalued amount, will be revalued at least every 3 years.

**Transitional Arrangement**

During the time it takes to transition the carrying value of non-current assets from the cost approach to the fair value approach, the Council may still be utilising both methods across differing asset classes.

Those assets carried at cost will be carried in accordance with the policy detailed in the **Initial Recognition** section as detailed above.

Those assets carried at fair value will be carried in accordance with the **Revaluation** methodology section as detailed above.

TOWN OF COTTESLOE  
NOTES TO AND FORMING PART OF THE BUDGET  
FOR THE YEAR ENDED 30TH JUNE 2014

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Fixed Assets (Continued)

***Early Adoption of AASB 13 - Fair Value Measurement***

Whilst the new accounting standard in relation to fair value, *AASB 13 - Fair Value Measurement* does not become applicable until the end of the year ended 30 June 2014 (in relation to Council), given the legislative need to commence using Fair Value methodology for this reporting period, the Council chose to early adopt AASB 13 (as allowed for in the standard).

As a consequence, the principles embodied in *AASB 13 - Fair Value Measurement* have been applied to this reporting period (year ended 30 June 2013).

***Land Under Roads***

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst this treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

**TOWN OF COTTESLOE**  
**NOTES TO AND FORMING PART OF THE BUDGET**  
**FOR THE YEAR ENDED 30TH JUNE 2014**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(k) Fixed Assets (Continued)**

**Depreciation of Non-Current Assets**

All non-current assets having a limited useful life are systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation periods are:

Buildings	40 years
Furniture and Equipment	10 years
Plant and Equipment	5 years
Computer & Ancillary Equipment	5 years
Roads - Asphalt	25 years
- Concrete	50 years
- Brick Blocks	33 years
Footpaths - Slab	25 years
- Asphalt	25 years
- Concrete	50 years
- Brick	33 years
Drainage - Pipe	50 years
- Soak wells	50 years
- Manholes	20 years
Reticulation - Bores	20 years
- Pumps	14 years
- PVC Pipe	25 years
- Sprinklers	8 years
- Electrical	14 years
Parks Furniture	5 years
Street Furniture - S/F Shelter	10 years
- Timber Shelter	10 years
- Concrete Shelter	20 years
- Slab	50 years
- Bins	10 years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

**Capitalisation Threshold**

Expenditure on buildings construction, purchase of plant, furniture and equipment under \$1,000 is not capitalised. This threshold is \$5,000 for infrastructure construction.

TOWN OF COTTESLOE  
NOTES TO AND FORMING PART OF THE BUDGET  
FOR THE YEAR ENDED 30TH JUNE 2014

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(l) Financial Instruments

**Initial Recognition and Measurement**

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

**Classification and Subsequent Measurement**

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or at cost.

Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments;
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method; and
- (b) less any reduction for impairment.

The effective interest rate method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

*(i) Financial assets at fair value through profit and loss*

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current. They are subsequently measured at fair value with changes to carrying amount being included in profit or loss.

*(ii) Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

**TOWN OF COTTESLOE**  
**NOTES TO AND FORMING PART OF THE BUDGET**  
**FOR THE YEAR ENDED 30TH JUNE 2014**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(I) Financial Instruments (Continued)**

**Classification and Subsequent Measurement (Continued)**

*(iii) Held-to-maturity investments*

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments and fixed maturities that the Council's management has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in current assets where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

*(iv) Available-for-sale financial assets*

Available-for-sale financial assets, are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable.

They are subsequently measured at fair value with changes in such fair value (ie gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to the asset previously recognised in other comprehensive income, is reclassified into profit or loss.

Available-for-sale financial assets are included in current assets where they are expected to be sold within 12 months after the end of the reporting period. All other available-for-sale financial assets are classified as non-current.

*(v) Financial liabilities*

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

***Impairment***

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired.

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events having occurred, which will have an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial instruments, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified into profit or loss at this point.

***Derecognition***

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the Council no longer has any significant continued involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expire. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**TOWN OF COTTESLOE**  
**NOTES TO AND FORMING PART OF THE BUDGET**  
**FOR THE YEAR ENDED 30TH JUNE 2014**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(m) Impairment**

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (eg AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other standard.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

**(n) Trade and Other Payables**

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

**(o) Employee Benefits**

Provision is made for the Council's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to the employee wage increases and the probability the employee may not satisfy vesting requirements. Those cash flows are discounted using market yields on national government bonds with terms to maturity matching the expected timing of cash flows.

**(p) Borrowing Costs**

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

**(q) Provisions**

Provisions are recognised when:

- a) the Council has a present legal or constructive obligation as a result of past events;
- b) for which it is probable that an outflow of economic benefits will result; and
- c) that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**TOWN OF COTTESLOE  
NOTES TO AND FORMING PART OF THE BUDGET  
FOR THE YEAR ENDED 30TH JUNE 2014**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(r) Current and Non-Current Classification**

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on Council's intentions to release for sale.

**(s) Comparative Figures**

Where required, comparative figures have been adjusted to conform with changes in presentation of the current budget year.

**(t) Budget Comparative Figures**

Unless otherwise stated, the budget comparative figures shown in this budget document relate to the original budget estimate for the relevant item of disclosure.

**(b) Statement of Objective**

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis and for each of its broad activities/programs.

Council operations as disclosed in this budget encompass the following service orientated activities/programs:

**GOVERNANCE**

Objective: To provide a decision making process for the efficient allocation of scarce resources.

Activities: Administration and operation of facilities and services to members of council; Other costs that relate to the tasks of assisting elected members and ratepayers on matters which do not concern specific council services.

**GENERAL PURPOSE FUNDING**

Objective: To collect revenue to allow for the provision of services.

Activities: Rates, general purpose government grants and interest revenue.

**LAW, ORDER, PUBLIC SAFETY**

Objective: To provide services to help ensure a safer community.

Activities: Supervision of various by-laws, fire prevention, emergency services and animal control.

**HEALTH**

Objective: To provide an operational framework for good community health.

Activities: Food quality and pest control.

**EDUCATION AND WELFARE**

Objective: To meet the needs of the community in these areas.

Activities: Operation of senior citizens' centre, day care centres and pre-school facilities; assistance to playgroups and other voluntary services.

**COMMUNITY AMENITIES**

Objective: Provide services required by the community.

Activities: Rubbish collection services, operation of tips, noise control, administration of the town planning scheme.

**RECREATION AND CULTURE**

Objective: To establish and manage efficiently infrastructure and resources which will help the social and well being of the community.

Activities: Maintenance of halls and reserves; operation of the library.

**2. REVENUES AND EXPENSES (Continued)**

**(b) Statement of Objective (Continued)**

**TRANSPORT**

Objective; To provide effective and efficient transport services to the community.  
Activities; Construction and maintenance of streets, roads, bridges, cleaning and lighting of streets, traffic lights; depot maintenance.

**ECONOMIC SERVICES**

Objective; To help promote the Town and improve its economic wellbeing.  
Activities; The regulation and provision of tourism, area promotion and building control.

**OTHER PROPERTY & SERVICES**

Activities; Private works operations, plant repairs and operation costs.

In accordance with council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

**Area Improvement Reserve**

- to fund the cost of improving facilities within the municipality.

**Civic Centre Improvements Reserve**

- to fund the cost of improvements, renovations, extensions to the buildings that makes up the Civic Centre.

**Waste Management Reserve**

- to fund the improvement, replacement and expansion of waste management plant, equipment facilities and services.

**Leave Reserve**

- to partially cash back the accumulated employee leave liability and to fund the payment of accumulated leave entitlements.

**Parking Reserve**

- the purpose of this reserve is, in accordance with Council's Town Planning Scheme, to set aside funds from developers for the development of parking facilities.

TOWN OF COTTESLOE

NOTES TO AND FORMING PART OF THE BUDGET

FOR THE YEAR ENDED 30TH JUNE 2014

**6. RESERVES (Continued)**

Property Reserve

- to contribute towards future property construction/renewal.

Infrastructure Reserve

- to contribute towards future infrastructure construction/renewal.

Legal Reserve

- to contribute towards unanticipated legal expenses incurred by Council.

Unspent Grants/Funds Reserve

- to carry forward available funding for uncompleted projects and grants that will be utilised in ensuing financial years.

Parking Facilities Reserve

- to fund improvements to Parking Facilities within the Town of Cottesloe

Sustainability Reserve

- to fund new or enhance existing Sustainability initiatives within the Town of Cottesloe

Specified Area Rates (Note 9)							0	0
<b>Total Rates</b>							<b>8,423,694</b>	<b>8,193,354</b>

All land except exempt land in the Town of Cottesloe is rated according to its Gross Rental Value (GRV).

The general rates detailed above for the 2013/14 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the Local Government services/facilities.

**TOWN OF COTTESLOE  
NOTES TO AND FORMING PART OF THE BUDGET  
FOR THE YEAR ENDED 30TH JUNE 2014**

**9. SPECIFIED AREA RATE - 2013/14 FINANCIAL YEAR**

Council has not budgeted to raise a specified area rate in 2013/14.

**10. SERVICE CHARGES - 2013/14 FINANCIAL YEAR**

Council has not budgeted to raise any service charges during the 2013/14 financial year.

<b>11. FEES &amp; CHARGES REVENUE</b>	<b>2013/14 Budget \$</b>	<b>2012/13 Actual \$</b>
General Purpose Funding	36,150	46,750

**12. DISCOUNTS, INCENTIVES, CONCESSIONS, & WRITE-OFFS  
- 2013/14 FINANCIAL YEAR**

**Incentive**

A discount is offered to residents and affiliated groups hiring the Civic Centre facilities and for multiple bookings.

A discount is granted to the rates for the Cottesloe Tennis Club.

**Incentive Arrangements**

10% discount for two or more consecutive Civic Centre facility bookings (excl War Memorial Town Hall).  
20% discount for residents and affiliated groups on Civic Centre facility bookings.

**Amount of Discount**

It is estimated that the above discounts will reduce revenue by around \$5,000.00.

**Waiving of Fees**

Fees for the hire of the War Memorial Town Hall are waived for hirers listed in Council's Policy on Civic Centre Hall Hire.

**Value of Fees Waived**

It is estimated that the waiving of hall hire fees reduces revenue by approximately \$2,000.00.

**TOWN OF COTTESLOE  
NOTES TO AND FORMING PART OF THE BUDGET  
FOR THE YEAR ENDED 30TH JUNE 2014**

**13. INTEREST CHARGES AND INSTALMENTS - 2013/14 FINANCIAL YEAR**

In accordance with regulations 27 of the Local Government (Financial Management) Regulations 1996, the information on interest and additional charges is provided:

**Charge for Late Payment of Rates**

That a penalty interest rate of 11% per annum be applied to rates levied in the 2013/2014 financial year which remain unpaid after they become due and payable and where no election has been made.

The interest charge is estimated to raise revenue of \$29,000

**Charge for Late Payments other than Rates**

A penalty interest rate of 11% will apply to any late payment other than a payment for rates. The interest rate will be applied to any amount owing for 35 days or more, from the date of issue of the invoice.

**Instalment Option Due Dates and Charges**

*Instalment Due Dates : Instalments are due on the following dates*

<b>Instalment</b>	<b>Due Date</b>
1st	2 <sup>nd</sup> September 2013
2nd	4 <sup>th</sup> November 2013
3rd	13 <sup>th</sup> January 2014
4th	17 <sup>th</sup> March 2014

**Instalment Administration Charge**

An administration charge of \$18.60 will apply if payment of a rate or service charge is made by instalments.

The administration charge is estimated to raise revenue of \$16,000

**Instalment Interest**

Instalment interest will apply at the rate of 5.5%.

Instalment interest is estimated to raise revenue of \$33,000.

<b>14. ELECTED MEMBERS REMUNERATION</b>	<b>2013/14 Budget \$</b>	<b>2012/13 Actual \$</b>

TOWN OF COTTESLOE

DONATIONS SUMMARY  
FOR THE YEAR ENDED 30TH JUNE 2014

Application	Organisation	Funding Requested	Summary	Recommendation
1	St Phillips Church	\$ 2,299	To provide a 'listening post' for local business owners and their staff in conjunction with Procoat. This service would not provide ongoing counselling, but seeks to provide an intermediary step.	\$ 2,299
2	Cancer Support WA	\$ 4,000	To assist with budget for the "Night Under the Stars Event". This event seeks to raise awareness of the Cancer Support organisation, as well as providing an event for the community	\$ 4,000
3	West Coast Community Centre	\$ 1,500	To assist with the costs of printing the WCC Newsletter - which helps to advise the residents of the Town of the Community Centres events and activities	\$ 1,500
4	Cottesloe Long Board Club	\$ 5,000	The grant will be used to cover some of the costs of the annual Whalebone Classic	\$ 5,000
5	Cottesloe Coastcare Association	\$ 2,500	Funds would be used to purchase seedlings and other materials required for rehabilitation planting.	\$ 2,500
6	Perth Studio Pottery Inc.	\$ 2,000	The grant would be used to fund advertising of one the club's exhibits, which will in turn raise awareness of the club and its activities.	\$ 2,000
7	Cottesloe Child Care Centre	\$ 500	The Cottesloe Child Care Centre has a picnic in May each year. The grant would be used to offset some of the costs of this event.	\$ 500
8	Cottesloe Junior Football Club	\$ 6,000	The Cottesloe Junior Football Club is purchasing new jumpers for all of its teams this season. The grant would be used to offset the costs of this project. While the club have requested \$6,000, the guidelines provide for a limit of \$5,000.	\$ 5,000
9	Mosman Park Men's Shed	\$ 10,000	The Mosman Park Community Men's Shed have received two grants in the past two years of \$10,000 each (previously requested \$20,000 per year). While Council have previously allowed a grant of more than \$5,000, this was due to the start-up costs of the association - which should by now have been covered.	\$ 5,000
10	Shelton Christian Council	\$ 2,000	Contribution to annual Chaplaincy program at Shelton College, Mt Claremont Primary School, Swanbourne Primary School, Mosman Park Primary School.	\$ 2,000
11	1st Cottesloe Scout Group	\$ 2,000	To assist in the purchase of materials to assist in the effective operation of the weekly scouts program. For example: First Aid kits, white boards, sporting/game equipment, sun shade tents, patrol day packs.	\$ 2,000
12	Sea View Golf Club (Inc.)	\$ 3,875	Funds would be used for the purchase of koppers logs and their installation at the golf course boundary on Jarrod Street, to prevent unauthorised parking and damage to the course by motor vehicles.	\$ 3,875
13	ICEA Foundation	\$ 5,000	Funds would be used to cover some of the costs of the marquee erected at the annual ICEA Classic surfing competition held at Cove Reef, Cottesloe.	\$ 5,000
14	North Cottesloe Primary School P&C	\$ 5,000	Funds would be used to assist in the production and research of a book celebrating 100 years of public education in Cottesloe as part of the school's Centenary project.	\$ 5,000
			<b>TOTAL</b>	<b>\$ 45,674</b>

Note: A contribution has been approved to North Cottesloe Surf Life Saving Club during 2013-2014 to fund the purchase and installation of a viewing tower at North Cottesloe beach.

The amount of \$45,674 is recommended for the financial year 2013-2014, however it is anticipated that Council will return to the capped total of \$40,000 in future years.
