

THE LESSER HALL – A REVITALISED COMMUNITY FACILITY

Renovations have commenced on the well-used community facility at Cottesloe Civic Centre, the Lesser Hall. This project will see the historic building restored and refurbished while recognising its significant historic value.

The refurbishment includes repairing and reinforcing the original building structure and a major internal upgrade which will provide a new modern kitchen, new floor coverings and new toilet facilities.

Once refurbished, the hall will be the perfect space to hold community meetings, training and small events. Subject to weather, it is anticipated that the Lesser Hall will be available in the early months of 2017.

STRATEGIC COMMUNITY PLAN

Additional strategies for the Town of Cottesloe Strategic Community Plan have been endorsed by Council, and will be included in the overall plan. The Town's annual afternoon tea to commemorate the founders of Cottesloe, as part of our State's celebrations for WA Day, was held last month at the Civic Centre's War Memorial Town Hall.

Part of this year's activities involved hearing

from professional historian, museum curator and researcher, Dr. Sue Graham-Taylor AM who was guest speaker for the event.

On the day, thirteen Cottesloe residents made their pledges as Australian Citizens.
