

ANZAC DAY – LEST WE FORGET

This year ANZAC Day was commemorated a little differently to the usual gathering on the Main Lawn at Cottesloe Civic Centre. Many members of the community paid their respects by participating in the ANZAC Day driveway Dawn Service. Town of Cottesloe Mayor Phil Angers and Jon Sciortino, President, Cottesloe RSL Sub-Branch laid a wreath at the memorial at the Civic Centre. Jon Sciortino's ANZAC Day address, usually delivered at the Town's ANZAC Day event was recorded and is available to view on the Town's facebook page at www.facebook.com/townofcottesloe/.

LONG TERM CYCLE NETWORK

The Town has been working with the Department of Transport (DoT) since 2018 on a draft Long Term Cycle Network (LTCN) that the DoT is preparing for the Perth to Peel region. That year, the Town prepared an online survey and invited residents to participate. Responses received were used to develop various routes for the LTCN, which were supported by Council in 2019 before being submitted to the State Government for consideration. The DoT then presented a draft LTCN for Cottesloe which was recently put out to the community for further consultation and brought back to Council for endorsement at the April 2020 Council Meeting.

The draft LTCN is a concept plan which designates a hierarchy of cycle routes as Primary, Secondary or Local. The main purpose of the document is for allocating future funding by the State Government. Once that has been established, the Town will consult with our community and work collaboratively with residents on designs developed for Council approval. View the draft LTCN at www.cottesloe.wa.gov.au (under Major Projects).

To be kept up to date on this and other projects we encourage you to register to receive the Town's monthly e-newsletter. Visit www.cottesloe.wa.gov.au/contact-us.aspx and complete the registration form under Mailing List.

NATURE DISCOVERY SPACE

Construction of the Cottesloe Nature Discovery Space near Vlamingh Memorial is complete.

Built by Nature Based Play in a dune restoration site above South Cottesloe beach, this amazing new space features water play, logs and rocks to climb and balance on, cubby frames and building sticks, rock and log carvings, ropes, winding paths, a fairy bridge and new plantings.

Cottesloe Nature Discovery Space has been a joint project with Cottesloe Coastcare (including Community Environment Funding raised via the office of Celia Hammond MP) and the Town of Cottesloe. We are excited that the space is complete and we look forward to announcing an opening event as soon as we can!

IT'S BULK WASTE COLLECTION TIME

Bulk waste collections commence this weekend. Items that can be placed out include; furniture, plastics, appliances, electronic waste, timber products, mattresses, cardboard and white goods (doors must be removed from fridges and freezers). Items that will not be collected are building materials, tyres, hazardous chemicals and poisons, flammable liquids, gas cylinders. Green waste will also not be collected. Please do not place your items out until the weekend prior to your collection date. Place items neatly on your verge no later than 7am on the Monday of your collection week. Collection will occur during the next five days.

Area 1

Place out on the weekend of 9/10 May. Items will be collected from Monday, 11 May

Area 2

Place out on the weekend of 16/17 May. Items will be collected from Monday, 18 May

Area 3

Place out on the weekend of 23/24 May. Items will be collected from Monday, 25 May.

To find out more visit www.cottesloe.wa.gov.au.

'CONVERSE'

Following this year's Sculpture by the Sea, the Town of Cottesloe has been fortunate to receive a donation of one of the wonderful sculptures from the exhibition.

'Converse' by WA artists Henning Meeves and Claire Molloy is an interactive piece exploring the symbiosis of people and place. It invites viewers to sit and listen to the silent story of a lone Cottesloe tree. The sculpture explores how we connect to the world around us and calls on individuals to listen a little closer to nature.

'Converse' has been generously donated to the Town by two art loving members of our community. It is now a permanent installation on the grass above Cottesloe Main Beach. Come and have a sit and experience 'Converse' next time you are walking by.

BE A RESPONSIBLE PET OWNER

We would like to remind you that when you are out and about in public places with your four legged friend, they must be on a lead at all times (except when you are at a designated off-lead dog exercise area). For the safety of others, owners must have their dogs under effective control at all times. This is an obligation under the *Dog Act 1976* and failure to do so can result in a \$200 infringement for the person in control of the dog at the time. Please be a responsible dog owner and keep your dog on a lead.

NEW EMAIL ADDRESS

We have a new email address! For all email correspondence with the Town of Cottesloe please use town@cottesloe.wa.gov.au. Our previous email address will remain active for now however please update your address book at your earliest convenience. If you would like to get in touch with the Town's Councillors for Council related matters visit www.cottesloe.wa.gov.au/council/mayor-and-councillors.aspx where you can find their direct contact details.

COUNCIL MEETINGS

Council Agenda Forums are held on the third Tuesday of the month at 6pm and Council Meetings are held on the fourth Tuesday of the month at 6pm. Agenda Forums are being held electronically and we are currently investigating ways for the public to participate in these online. Questions or statements can be submitted prior to the meeting to town@cottesloe.wa.gov.au

Council Meetings are being held in the War Memorial Hall at Cottesloe Civic Centre, 109 Broome Street. This meeting is open to the public however in order to comply with social distancing requirements capacity may be limited. Questions or statements can be submitted prior to the meeting to town@cottesloe.wa.gov.au. Agendas are available to view at www.cottesloe.wa.gov.au/council-meetings/.

The next Agenda Forum is on Tuesday, 19 May and the next Council Meeting is on Tuesday, 26 May.
