COMMUNITY DONATIONS

Would you like your community group, club or organisation to be considered for a Town of Cottesloe community donation? We are now calling for applications from the community for donations to go towards a project or event.

Last year the Town donated money to a number of worthwhile initiatives including Melanoma WA for skin cancer awareness and Cottesloe Coastcare to plant seedlings this autumn to further restore and protect the foreshore and natural areas of Cottesloe.

If you have a project or event that could be considered for a donation please visit www.cottesloe.wa.gov.au/community/grant.aspx to find out more and complete an application form, or contact the Town's Community Development Officer on 9285 5000.

Applications close at 4pm on Friday, 30 April 2021.

SHARK BARRIER REMOVED FOR WINTER

The protected swimming enclosure at Cottesloe Main Beach was recently removed for the coming winter months. The enclosure was once again a fantastic addition to Cottesloe over summer and many people came to enjoy it! We look forward to re-installing the enclosure in early October this year, ready for the warmer weather.
