

BEN SIGNS AT COTT

Earlier this year the Town was successful in securing grant funding to install Beach Emergency Numbers (BEN) signs at our beach paths. We are pleased to announce that these signs have now been installed. They are located at the top of each beach path and, where it is not visible from beach level, at the bottom of some beach paths. Each BEN sign has a unique code providing specific location information, vital for emergency services. Please take note of the closest BEN sign location and information when you next visit the beach.

Town of Cottesloe Mayor Lorraine Young and CEO Matthew Scott thank the State Government and Hon Don Punch MLA, Minister for Fisheries for grant funding to install BEN signs at Cottesloe Beach.
