BEACH ACCESS PATHS - HAVE YOUR SAY

The Town of Cottesloe has 27 paths along the coastline that allow access to the beach, while protecting the dune environment. These paths are in need of refurbishment and, as part of Council's commitment to improving and enhancing beach access and the foreshore, a style guide has been developed that will shape the refurbishment of the paths. This project will be delivered in stages over a number of years.

View the Beach Access Path Style Guide at www.cottesloe.wa.gov.au (follow the link under Latest News), at the Town's administration office or at The Grove Library. Comments on the proposed style guide can be submitted by email to council@cottesloe.wa.gov.au or by post to PO Box 606, Cottesloe, WA 6911. Submissions close on Friday, 10 February 2017. We encourage you to have your say!
