

EARTH HOUR – FREE EVENT

Come and switch off at this year's electricity-free Earth Hour event at Mayo Community Garden (91 Wood Street, Swanbourne) on Saturday, 25 March, from 4 to 8pm.

Bring the whole family to enjoy a range of entertainment and activities. Remember to bring your water bottle (filtered water available thanks to the WMRC Earth Carers) and leave the car at home for a chance to win some great prizes.

This free Earth Hour event is proudly brought to you by the Town of Cottesloe and the City of Nedlands.

CARE FOR YOUR CAT

The Town of Cottesloe, as part of the Western Suburbs Regional Organisation of Councils, together with Cat Haven would like to remind residents about responsible cat ownership. Under the Cat Act 2011, cat owners must microchip, sterilise or desex their pets, and register them with their local Council before they are six months old.

A sterilised cat has; less chance of developing infections or some types of cancers, an increased lifespan, a reduced risk of loss or injury, no unwanted litters, a reduction in registration and vet fees and is a less temperamental pet.

Look after your cat! Contact your vet today to arrange a visit. Cat Haven offers concession cardholders a discount on sterilising and microchipping. To find out more visit www.cottesloe.wa.gov.au (under Services/Ranger Services) and www.cathaven.com.au.
