Telephone: 9285 5000 Facsimile: 9285 5001

### Town depot submissions

FOLLOWING advertising of the business plan, all points made in submissions received will be addressed in a report to the Council, this month (November) covering the planning process to deal with sale and development of the site.

## Hullabaloo today!

HURRY along to Napoleon Street for our annual Hullabaloo festival of fun, food and music – today, Saturday November 10, 9am-3pm.

It's today,  
Saturday  
November 10,  
9am-3pm!

# Expect 'offer we can't refuse' – Mayor Morgan

ANTICIPATING harsh recommendations from the Robson report (now online for public comment) Mayor Kevin Morgan predicted it would be followed-up with 'an offer we can't refuse'.

"For the next few months the Council will be asked to consider voluntary amalgamation. Otherwise it could end up in a worse position," he told the October Council meeting.

"My primary concern is ensuring the community is consulted."

#### Candidature

Referring to his decision to stand for parliament in the seat of Cottesloe,

Mr Morgan said he will endeavour to remain on Council business while acting as Mayor. At times issues may cross over, but he will continue acting in the Council's best interest as he observes it.

#### Greater Perth authority

The Mayor believes that Cottesloe's best interest lies in moving towards a greater Perth authority – but no matter what version

Kevin Morgan

is put forward it should be with persuasion, not force.

## Comment on Robson

HOW do you feel about Council amalgamations, as planned for Perth?

A chance to comment is available if you go to: [metroreview.dig.wa.gov.au](http://metroreview.dig.wa.gov.au) The home page gives access to the final report, released last month.

It is open for public comment until 5 April 2013. Next State elections take place before this, on March 9, 2013.

## Cash for Containers

### ... at Hullabaloo and on the Beach

**IF YOU FETCH cans and plastic drink containers to Hullabaloo you could take away 10 cents for each and every one. The only proviso is that they carry a message about the 10c refund that is available in SA and NT.**

#### \$100 Cash for your Trash?

But there's another chance to get some cash for your trash ...

EarthCarers and the Town of Cottesloe are arranging an even bigger collection event, on November 25 at Cottesloe Beach.

All plastic and aluminium containers (with the 10c refund in SA/NT label) will be accepted. Fetch your collection to the beach, near Indiana, between 11am and 3pm, and go away with money in your pocket!

The refunds are capped at \$10 per person – that means 100 containers – or \$100 for school or community groups – 1,000 containers! (We're being supported in this drive by the Two Hands Project Inc, and Cleanaway.)

#### Permanent?

Hullabaloo's collection and the beach clean-up are part of Cottesloe's support for the introduction of a permanent scheme for WA. WALGA – WA's Local Government Association – is campaigning for it and Cottesloe backs the idea.

WA's overall recycling rate is one of Australia's lowest, at just 32 per cent. By comparison, national leader South Australia recycles more than 70 per cent.

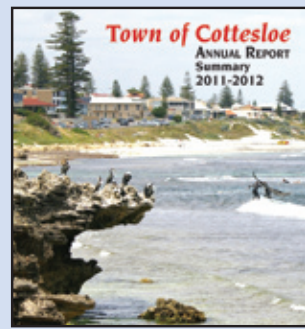

If you would like to see Cash for Containers adopted in WA, more information is available from: Cottesloe's principal environmental health officer Darrell Monteiro (9285 5000) and at the WALGA WasteNet website – [www.wastenet.net.au](http://www.wastenet.net.au) or at the CCCA website – [ccwa.org.au](http://ccwa.org.au)

### News in brief ...

#### Annual Report coming to your door

COTTESLOE'S annual electors meeting is on Wednesday December 5, 7pm, in the War Memorial Town Hall at the Civic Centre.

A complete annual report will be available there. But before that, watch for the full-colour Annual

Report Summary that will be delivered to every household in the Town, before the meeting.

#### Meetings at Civic Centre

NEXT Council meeting Monday November 26, at 7pm.

Development Services Monday November 19, 6pm.

Works and Corporate Services Tuesday November 20, 7pm.

Strategic Planning Committee Wednesday November 21, 7pm.

#### Seniors morning tea

SENIOR residents of Cottesloe are invited to a Morning Tea entertainment at Mosman Park Bowling Club, Wednesday November 14, 10am-noon.

It's an annual event, part of the Bendigo Bank-sponsored Seniors Week festival. To attend, please contact Danielle at the bowls club, on 9384 7951.

#### Tale of the Super VC

AN extraordinary life story will be told at the Cottesloe Civic Centre, War Memorial Town Hall, on Friday November 9 (6pm for 6.30 start).

A Clontarf-raised orphan, Lawrence Dominic McCarthy, was dubbed the 'super VC' for his feats of courage in WW1. In one outstanding action he killed 22 of the enemy, took 50 prisoners and captured five machine-guns.

The talk, by Rob O'Connor QC, is this year's Frederick Bell VC Memorial Lecture, organised by the RSL WA together with Cottesloe's sub-branch.

To attend, please inform the sub-branch's hon. sec., Dr Neville Green – phone 9304 5182, or email to [menj7579@gmail.com](mailto:menj7579@gmail.com)

Entry is by gold coin donation.

## Celebration of the Motor Car

WE'RE not sure if this UFO will change orbit to visit Cottesloe – but elite and exotic cars of all kinds will be exhibited on the Civic Centre lawns when the Celebration of the Motor Car returns on Sunday December 16, from 10.30am-3.30pm.

Charity will benefit, with 100 per cent of entry fees (\$20 adults, \$10 children) going to Kalparrin – which aids families and carers of children with disability and/or special needs.

This motor show was inaugurated at the Civic Centre in 1993 and awarded the year's WA Motoring Event of the Year. It was so popular that after five years it moved to a bigger location, at Claremont Teachers College, continuing there until 2003.

Organisers want to revive the Celebration of the Motor Car and won approval from Cottesloe Council, which

has classed it as a charity event and will charge no exhibition fees.

Restrictions on vehicle access should ensure minimal local noise disturbance, and measures have been taken to protect the lawns and reticulation systems of the Civic Centre.

A VIDEO survey and traffic counting at the North St/West Coast Hwy junction will be jointly funded by Nedlands and Cottesloe. The Councils are considering making a State Black Spot grant application to expand the left-hand turn lane. There is also potential for a right-turn traffic light phase into the Highway.
