Dear Mark

RE: WEST COAST HIGHWAY / NORTH STREET BLACKSPOT PROJECT

At its most recent meeting, Council considered the consultant intersection assessment and all provided plans covering the proposed intersection Black Spot works, particularly the left turn lane extension on North Street.

After deliberation, it was resolved:

"THAT Council:

- 1. In order to minimise costs, impact on street trees in North Street and the potential to damage underground services, agrees to the option to install the widening on south side of the North Street to allow a 40m extension of the left turn lane onto West Coast Highway; and*
- 2. Agree to fund 1/6th of the cost of this State Black Spot project - \$24,167, in the 2013/14 financial year.*
- 3. Notify residents of the potential impact on their properties, as a result of the extension of the left turn lane onto West Coast Highway.*

Lost 3/5"

Should you wish to discuss this matter further, please do not hesitate to contact me on 9285 5000.

Yours sincerely

AP Geoff Trigg
